RE: Method and System for Clinical Knowledge Management  
Application N° 09/815,646 Art Unit 3626

Dear Mr. Thomas,

I spoke to you in June 2006 with regard to this application. I had requested an appointment with you to discuss the application. Since I was represented by Kenyon & Kenyon, you informed me that I would need to terminate my representation with them before I could handle the matter personally. I have ended my representation and have a letter confirming that the responsibility for the application has been returned to me.

I have enclosed a Petition for a Time Extension as well as a reply to the rejection notice.

During our conversation, you mentioned that once I was no longer represented you would be willing to met with me and discuss the application. You had said that you could assign the application to another examiner, and a meeting with me would be helpful in your choice of a new primary examiner.

Therefore, if the enclosed documents are in order, I will call you to arrange for a meeting to discuss the application and explain why I

SCOTT H. JAEGER, M.D.

respectfully disagree with the decision of Kim T. Bui to reject the application.

Thank you, for your kind consideration in this matter. I can be reached by mobile telephone at (856) 313-6630

Sincerely yours,

A handwritten signature in black ink, appearing to read "S. Jaeger", with a stylized, cursive script.
